Present:Geoff Alison Nigel Rachel CJ Mike B Tony S

Apologies:Mike K

Matters arising from previous meeting:

Alison Nigel and Mike K have been out with Tom H and thought it was a great success. Safety is obviously crucial but they would like to aim to get him to be confident riding out to Lowther for a coffee stop meet. This as a target and introduce him slowly to other members of the club.

Mike B - there are now a number of past routes available to leaders on a tab on the the runs list - see the website.

Risk assessment: Tony has produced a generic risk assessment sheet which may be helpful to assist runs leaders at Mike B's discretion this may be placed on the docs page of the website.

Committee Rides - see previous minutes; discussion led to the thought that it may be better to tackle this by approaching newly registered riders and asking which more experienced rider they might like to help on a first ride so giving the opportunity to share leading and advise on tactics.(mentoring?)

Berwick-o-T away days - likely dates 8April M to F - more details to follow.

Mike B's Fred W in two days plans Keswick and Ambleside YH mentioned as pos overnights Geoff happy to support, likely May avoiding the Half Term break and during the week - more to follow

Challenge rides - need to set up a working group, perhaps discuss between now and end of Festive Lunch! Plan for September early and open it to all comers 100km and 100mi Venue, Flat, Hilly, Eden Valley,

Festive Lunch - decided on Roundthorn and £32 menu G will try to get meat Fish and Veggie option for main and Veg starter plus allowance for Gluten Free and other allergies stated on choice form to be circulated. £200 deposit cheque available from club funds

Fliers and cards - Geoff will get on with ordering these to the revised pattern A4,A5 and cards

Adella happy to set up Facebook page with help/advice on what to include/miss out from Geoff

AOB: Fellfoot 40 Alison has provided a summary of the background to the route offered and pos link to the club website on the leaflet?

Coffee stops Base camp(Cocklakes) slightly problmatic/dangerous in access along the gutter of the A66 Brougham Hall new cafe seems good.

Meetings:

Challenge ride working party 22<sup>nd</sup> Jan 1000

Cttee meeting 12<sup>th</sup> February 1000 both in Daffodils but to be confirmed
