

EVCUK - Minutes meeting in Daffodils 10.00 Monday 18th March

Agenda

1. Matters arising from meeting 12 Feb 2024
 2. Slow Fred
 3. Runs List and Ride leaders follow up - Approaching Ride leaders with encouragement/advice/etc What have we heard/read so far?
 4. Challenge ride update - next meeting 16th April - important we firm up on details which can then be agreed at that meeting. G will put an early agenda together
- Lot's of interest returned via email Web page <http://www.edenvalleyctc.org.uk/CHRINFO.html> set up with updates

Geoff

Minutes:

present Mike B, Mike K, CJ, Alison, Nigel, Rachel, Geoff apologies from Tony S

1. *Fred in 2 days*: Mike said that he was now unable to do/organise this and would prefer if we put it off to another year. There has been some talk of doing it ad hoc when the weather is good and simply do it as 2 'day trips' eg. Keswick - Ambleside - Holbeck lane - Troutbeck - Kirkstone - Troutbeck Keswick - Honister - Newlands - Keswick (111km) Then another day Keswick - Winlatter - Lorton Loweswater - Ennerdale bridge - Calder Bridge - Gosforth - Santon bridge - Eskdale - Hardnott and Rhinos - Blea Tarn - Langdale - Red Bank - Dunmail Raise - Keswick (110km)
 - 2 *Ride to the sun*(22nd/23rd June): - see [website](#) Alison suggested that this might be a fun Challenge (100mi) There is no charge but you register in order that supplies are available on the route see detail on website. Will be blogged for those who are interested to get together.
 - 3 *Runs list*: Mike now more positive about the situation but we need to keep nudging ride leaders to get filling in some rides. It is not onerous and is an opportunity to show others areas they may not know and even if the weather means plans have to change at least it encourages us all to get out! Mike will send another list around prior to the next quarter to see if we can fill in more 'slots'.
 - 4 *Challenge rides*: Preparations are progressing - the handbills and emails have so far produced 30 odd pre registrations so with a push in early July and publication of detailed plans we should have a 'goer'. We need to sort out some of the details: Volunteers / tasks / Parking / Food / Leaders / Assist at extremes (water and emergency) Contact telephone / Broom waggon / Certificates / Charity sponsor forms. GA will blog for more volunteers before the meeting
 - 5 AOB - Nigel reported that the A66 project is approved
- Some details are required for CUK returns by end April CJ Tony and Geoff will endeavour to complete these !
- Geoff

Next meeting Mon 1 July 10.00 Daffodils
(Challenge Ride planning - April 16)
(AGM 191024 Langwathby VH booked)
